

# NOOSA JAZZ FESTIVAL

AUGUST 22  
TO SEPTEMBER 1

## PROGRAM OF EVENTS

## WELCOME TO THE 2024 NOOSA JAZZ FESTIVAL

Join us as Noosa Heads Jazz Club and Noosa Chorale, two local musical institutions, unite for a special joint concert on the festival's opening night to celebrate the thirtieth anniversary of both organisations.

Under the exceptional musical direction of Paul Coppens and the piano accompaniment of Janet Brewer, a selection of jazz favourites will be brought to life in a unique combination of the seventy Chorale voices with the Australian Jazz Ensemble, led by the renowned jazz legend Brett Iggulden, and promises to be a musical extravaganza.

Prepare to be captivated by our diverse program of events over 10 days. It includes four Jazz Party sessions at The J Theatre in Noosa Junction, two afternoon matinees and two evening concerts, and a special Sunday afternoon concert at the wonderful live music venue, the heritage-listed Majestic Theatre at Pomona. Each event is thoughtfully designed to cater to a wide range of classic jazz tastes and preferences, ensuring something for everyone.

The Jazz Party concerts are a unique highlight of our festival. They feature individual musicians invited to play at the festival, formed into bands and ensembles that guarantee exciting improvisation of traditional jazz and a musical experience unlike any other.

The river cruises, followed by lunches and dinners with jazz at Noosa Yacht and Rowing Club, will be a great way to enjoy the food and drinks.

Between the concerts, jazz musicians will entertain over lunches and dinners at Lucio's Marina, Tewantin; Miss Money Penny's, Hastings Street; Noosa Boathouse, Noosaville; Noosa Springs Resort, Noosa Heads; and Trattoria Benati, Noosa Junction.

The festival concludes with a family picnic concert, a perfect way to celebrate Father's Day, 1 September, at The Riverstage along the Noosa River in Noosaville.
